

DISCLAIMER
AN IMPORTANT MESSAGE TO USERS OF THIS SERVICE
DIRECTORY

- CASHA provides this Service Directory to assist the public in locating practitioners within our professions.
- CASHA does not, and is not responsible for verification of current credentials of those professionals listed within this Service Directory.
- It is recommended that users of this directory verify that the following professionals are currently licensed and registered to practice in New York State.
- The New York State Education Department Office of the Professions provides an online search to verify current license and registration of members of our Audiology and Speech-Language Pathology professions.
- Please use the following link to facilitate your search for verification: <http://www.op.nysed.gov/opsearches.htm>

An Additional Note of Clarification:

Audiologists and Speech-Language Pathologists who hold the Certificate of Clinical Competence (CCC) from the American Speech-Language-Hearing Association (ASHA) indicate this certification by the following:

Audiologist: CCC-A

Speech-Language Pathologist: CCC-SLP
